

# red tail ridge winery

The first LEED® gold-certified green winery in New York

Red Tail Ridge is a 6,000 case boutique winery located in the heart of the Finger Lakes on the western shore of Seneca Lake.  
We specialize in limited production cool climate wine grapes.

## 2013 Dry Rosé

RTR Estate Vineyard  
Finger Lakes, New York

**Tasting Notes:** Aromatics of fresh red berries, orange flower, lime, wet stones and watermelon rind, followed by more concentrated red raspberries and cherries, lime juice and crisp nectarine on the palate. Perceptible weight and texture mid-palate followed by a minerally, mouthwatering citrus-rind finish.
